

BEGINNERS CLUB

Join the Saturday morning beginners club for guitar, open to all ages. This is for players who are just starting out. Designed to gradually progress students through basic techniques and because you will be playing as part of a group you will be able to see your skills improve through playing with others. Confidence building and fun.

FREQUENTLY ASKED QUESTIONS

Whilst we will endeavour to answer all of your queries here, please feel free to ask our tutors anything else you may need to know.

HOW DO I FIND OUT MORE BEFORE I ENROL?

No need to worry, you are welcome to make a quick visit to one of the sessions where you can see the facilities and chat with one of our tutors who will be happy to answer any questions.

You can enrol that day or take away an enrolment pack for future reference.

EXPERIENCE LEVEL

What level am I and how will I fit in with the others? The material is designed to be accessible to all abilities with the emphasis on developing basic skills such as correct posture, timing, rhythm playing, developing a chord library. Basic song structure and styles are studied helping you to understand more about music and song writing. If you have already taken part in and enjoyed the beginners club but started as a novice there will still be something new for you to work on in the subsequent months.

HOW BIG ARE THE CLASSES?

Generally the maximum is 8 however some classes are often smaller
