

PRIVATE LESSONS

Take a more individual approach with private lessons in guitar and bass. Open to all ages and abilities. Lessons modelled to individual needs with the emphasis on building a varied repertoire. Students are encouraged to develop good technique, developing independent learning skills and progress evaluation.

FREQUENTLY ASKED QUESTIONS

Whilst we will endeavour to answer all of your queries here, please feel free to ask our tutors anything else you may need to know.

TEACHING METHODS AND TECHNIQUES

Beginners to advanced students are encouraged to develop good technique with an emphasis on building a varied repertoire. With our extensive teaching resources library, students learn complete songs and studies in all styles for bass and guitar, developing reading and timing skills in both tablature and standard notation. Traditional blues, folk and acoustic styles are also encouraged.

All our tutors are professional musicians and bring their expertise gained from teaching, recording and live performances to their students. Helping them with a practical approach to understanding scales, composition and theory.

EXAMS AND GRADES

ADWM has contracts with education authorities, schools and colleges, providing instrumental lessons for students studying Btec, GCSE, A level and Rockschoool examination courses.(see our own ROCKSCHOOL course)
